Art Studio 138 April Calendar

Important Information About Art Studio 138: Changes are happening at the Art Studio! A year has passed and we now have better knowledge as to how we can meet the needs of the community and still enjoy our semi-retirement. We have given this a lot of thought and believe we have come up with a solution that will enable us to do both! The Kids Art Club and the Adult Classes are what is most important to us. This is where we will focus our efforts and attention. The biggest change will be the open hours for the studio. Starting April first, the hours will be as follows:
